SKILLS

Skilled in HTML, CSS, Figma

Basic Knowledge of JavaScript

Strong analytical and problem-solving skills. Skilled collaborator with multicultural teams.

EDUCATION

Google UX Design Certificate — Online

October 2022 - April 2023

Completed a comprehensive training program focused on developing essential job skills for entry-level UX design roles. Gained a thorough understanding of key UX research fundamentals, including user personas, user journeys, and user testing methods. Developed a portfolio of three projects that showcase my ability to create engaging and user-centered designs.

Immanuel Kant Baltic Federal University — BA in linguistics

September 2013 - June 2017

Studied the way language and communication are used in different contexts and cultures, which is a valuable knowledge for designing user interfaces for diverse audiences

EXPERIENCE

Green Smartup — Web Developer Intern

May 2023 - Present

Developed and launched Green Smartup's website, leveraging WordPress and Elementor Pro to ensure a user-friendly and visually appealing online presence

Proficiently utilized HTML/CSS to customize website elements and ensure responsive design

Worked with Figma to prototype and refine design concepts

Skyeng Online School — Online English teacher

January 2020 - Present

Creating engaging and interactive lesson plans for adults

Embracing technology and online teaching tools to create a seamless virtual classroom environment

Ensuring optimal student engagement and participation

Denla Petchkasem kindergarten — English teacher

May 2022 - May 2023

Successfully managed a classroom of 15+ students, maintaining a positive and engaging learning environment

Taught English as a foreign language to Thai kindergarten students

Collaborated with an international team of teachers to discuss and improve lesson plans

Blue Sky International Kindergarten — English teacher

July 2017- January 2020

Worked collaboratively with Chinese teachers to integrate English language learning into the kindergarten curriculum

Led extracurricular activities, such as story time, arts and crafts, to enhance students' creativity and cultural understanding

Self-employed tutor

January 2014 - June 2017

Provided detailed feedback to students, identifying areas for improvement and tailoring lessons to suit individual learning styles

Established and maintained strong relationships with students and their families, resulting in a high rate of student retention and word-of-mouth referrals.
